REMARKS

Claims 1 to 8 are pending in this application, of which claim 1 and 6 are independent.

Favorable reconsideration and further examination are respectfully requested.

Applicants have amended the phrase "back of the frame" in claim 2 to "back of the waiting list" to be consistent with the subsequent arguments addressed in the previous office action response and to be consistent with the claims prior to the previous office action response. Applicants have also amended claim 6 to remove the word "not" on line 3 that was not properly removed and to add the word "not" to line 5 to be consistent with the claims prior to the previous office action response. Applicants have also amended claim 4 to replace "said" with "the".

Nothing in this paper should be construed as an intent to concede any issue with regard to any claim, except as specifically stated in this paper, and the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.
